Professional Summary

Self-motivated Frontend Developer with hands-on experience in building **responsive and user-friendly web applications** using **HTML5, CSS3, JavaScript, Bootstrap, React and SQL**. Skilled in translating design concepts into functional interfaces with strong attention to detail. Seeking an entry-level opportunity to apply technical expertise, contribute to innovative projects, and grow as a professional Frontend Developer.

Technical Skills

- **Languages:** JavaScript, HTML5, CSS3
- **Frameworks and Libraries:** Bootstrap, React
- **Database:** SQL
- **Tools & Platforms:** Git, GitHub, VS Code
- **Other Skills:** Responsive Design, UI/UX Principles, DOM Manipulation

Academic Qualification

BSc in Computer Science
Periyar University, Salem, Tamil Nadu | 2022 – 2025 | CGPA: 7.4

Projects

1. **Instagram Clone |** Live Link **|** GitHub
Tech Stack: React.js, JavaScript, CSS3
- Developed a responsive Instagram clone with post, profile, and story components.
- Implemented reusable React components and efficient state management for smooth UI interactions.
- Designed a clean, mobile-friendly interface with optimized rendering performance.
- Used mock data to simulate user posts, comments, and profiles for realistic behaviour.

2. **Personal Finance Tracker |** Live Link | GitHub
Tech Stack: HTML5, CSS3, JavaScript
- Build a single-page personal finance tracker to record and categorize income and expenses.
- Enabled dynamic updates and interactive UI for easy tracking and management of finances.
- Utilized JavaScript DOM manipulation and local storage to store and retrieve data efficiently.
- Ensured clean, maintainable code and a responsive, user-friendly design.

3. **E-commerce Website |** Live Link | GitHub
Tech Stack: HTML5, CSS3, JavaScript
- Enhanced a fully responsive e-commerce website with product listings, search, and cart functionality.
- Implemented interactive product cards, filtering, and price calculations using JavaScript.
- Designed responsive layouts with CSS Grid and Flexbox for seamless experience across devices.
- Ensured clean, reusable CSS and a professional, user-friendly interface.

Certifications

- Python Full Stack Development with Django – ITVedant

Soft Skills

Team Collaboration | Problem Solving | Quick Learning | Time Management | Attention to Detail | UX Awareness | Adaptability
